News from the Illinois Department of Veterans Affairs ★ Volume 5, Issue 12 ★ December 2025

★ Message from IDVA Director Terry Prince

Wow! Are we really at the end of 2025? Looking back on the past year, we are proud to once again have made history in the State of Illinois for our treasured veterans when we opened our new Veterans' Home in Quincy, Illinois. This fantastic example of engineering and a \$300 million investment immediately enhanced the lives of its residents and our IDVA staff who are delivering extraordinary care. The project included an independent living building where we can house up to 88 veterans in studio and one-bedroom

apartments, along with the long-term care building for 288 residents. Governor Pritzker visited the Home for the official ribbon-cutting ceremony, where the residents, staff, and community celebrated. It's a momentous occasion when a state opens a new Veterans' Home, and in the past two and a half years, Illinois opened two homes, one in Chicago and the buildings in Quincy. This is a testament to Illinois' commitment to the quality of care for its veterans.

This year, IDVA has advocated strongly for Illinois veterans. While these numbers reflect our fiscal year, July 1st through June 30th, they represent the transformative impact the team has had on Illinois veterans. Our VSOs conducted over 19,000 in-person and nearly 45,000 telephone interviews. These interactions resulted in providing direction, information, and preparation of 18,000 state and federal benefit applications.

If you are out and about at special events, you may have visited one of our VSOs who attended over 300 events across the state. We are growing the Field Services team by hiring additional Veterans Service Officers and outreach coordinators who will continue to get out into the community and find the veterans, where they live and work.

The Veterans Cash Lottery Grant program disbursed nearly \$1.2 million in funding for veterans' programs addressing concerns, including PTSD, homelessness, and job training.

Our program's teams offered a wide variety of events for Gold Star Families, Remembrance Day ceremonies, Veterans' Day at the State Fair, and the 250th birthday of the United States Marine Corps, U.S. Army and U.S. Navy. Also, 25 women veterans were honored in the inaugural class of "25 Women Veterans in 2025."

Our goal is to inform veterans about services, benefits, and programs that support them while also sharing the important events and work taking place across the Agency. We enter 2026 energized to continue building on our successful efforts and innovating new and better ways to serve veterans. It is our privilege and passion to serve veterans, in our continuing mission to ensure veterans thrive in Illinois.

Happy Holidays and may the New Year bring and you and your family many blessings.

Sincerely,

Terry Prince, U.S. Navy Veteran and IDVA Director

Gold Star Christmas Tree Lighting

IDVA presented the 2025 Gold Star Christmas tree at the Abraham Lincoln Presidential Museum and Library on December 8th, dedicated to Illinois heroes who lost their lives in combat. Gold Star families decorated the tree with personalized ornaments commemorating each Illinois hero who lost their life. The tree was lit following a program featuring IDVA Director Terry Prince and Major General Rodney Boyd, Adjutant General of the Illinois National Guard. The tree is available for the public and visitors to the Abraham Lincoln Presidential Museum and Library through the end of December. It is a space to reflect on and remember their sacrifice and commitment to our nation's freedoms. For more information on visiting the Museum: <https://presidentlincoln.illinois.gov/>

Seeley Smith and IDVA Director Terry Prince hang the ornaments of 333 Illinois heroes.

Field Services is growing its team of Veteran Service Officers (VSOs) to broaden its reach to veterans across Illinois. It has recruited, hired, and trained veterans who are poised and eager to guide other veterans in obtaining their earned benefits. They complete rigorous training to learn about available benefits and the claims process to position themselves to support veterans at the highest level. As veterans, they can relate to the many challenges of transitioning from military service and uncovering what is possible from education to health care to employment and beyond.

Tim Couty, *Saline County*

Tim Couty, an Army veteran, joins IDVA as a Veteran Service Officer for Saline County. Before joining IDVA, he was a patient advocate for the Marion Veteran Affairs Medical Center and a juvenile justice specialist for the Illinois Youth Center in Harrisburg. Heather Meyers, *Coles and Edgar County*

Heather Meyers, Active Guard Reserve (AGR), Illinois Army National Guard (ILARNG), joins IDVA as a Veterans Service Officer serving Coles and Edgar County. Before joining IDVA, she was the Outreach Coordinator for The Salvation Army, Supportive Services for Veteran Families (SSVF). Heather served for more than 26 years in the Illinois Army National Guard Active Guard Reserve. Throughout her military career, she held progressively responsible leadership positions, including Squad Leader, First Sergeant, Senior Human Resources and Medical Branch Supervisor, Administrative and Operations Supervisor, and Physical Security Manager. She was deployed to Germany in 2002 and to Iraq from 2006–2007, where she served as a Squad Leader in a combat environment. Her service has been recognized through numerous military decorations, reflecting sustained excellence, leadership, and commitment to mission success.

Heather comes from a family with a strong military tradition. Her grandfathers served in the Army during World War II. Both of her sisters have served in the Illinois Army National Guard (AGR), with one still actively serving. She also has a cousin who served in the Marines and another who served in the ILARNG. Continuing the family legacy, her nephew has started his chapter in his military career with the ILARNG.

"With over 26 years of experience training and providing administrative support to Illinois Army National Guard service members and their families, I am honored to begin this next chapter by serving the Veteran community. I am dedicated to offering professional, informed guidance on benefit eligibility and connecting Veterans and their families with the resources they need and deserve."

Alexa Koziol

Alexa Koziol joins IDVA as its Director of Legislative Affairs. She brings 11 years of experience as the Legislative Liaison for the Department of Children and Family Services (DCFS), where she engaged and built relationships with legislators and child welfare lobbyists. She tracked an average of 115 pieces of legislation every session. She worked alongside DCFS's Policy and Communications teams to ensure that new laws were implemented and that the public was educated about the changes. Alexa has four siblings and a two-month-old niece.

"I'm excited to join IDVA. Everyone on the team has been incredibly helpful and welcoming. I come from a family of service members and can't wait to represent this agency at the Capitol."

Veterans' Homes

Throughout December, the Illinois Veterans' Homes celebrated the holiday season with a variety of events, programs, and parties. The veterans enjoyed cookies, hot chocolate, and were serenaded by carolers, all while receiving goody bags, among many other festivities. As part of their approach to care for the whole person, the Homes activities professionals create activities and programs so the residents enjoy holidays, changes of season, sports, music, and more.

★ ★ ★ ★ ★ Women Veterans

For the very first time in history, we are proud to announce that IDVA's Women Veterans Program has exceeded its goal of registering over 500 women veterans in the Military Women's Memorial's (MWM) National Register, earning the distinguished Gold Status for the first time. Women veterans from across the country are engaging in the Strive for 500 campaign by sharing their stories of military service in the MWM's register.

The mission of the Military Women's Memorial (MWM), located at the entrance to Arlington National Cemetery, is to honor, educate, and empower future generations by preserving the stories of women veterans in their own words. Women veterans are encouraged to share their stories at [Home - Military Women's Memorial](#).

IDVA Central Office Meets Its State and University Employees' Combined Appeal Goal

IDVA Central Office pulled out all the stops to raise money for its State and University Employees Combined Appeal (SECA) where it met its ambitious goal of \$3,000 for the second year in a row. The team enjoyed popcorn, baked goods, and ice cream. The chili cook-off, Halloween décor contest, and sports week brought out their competitive spirit. They showed their appreciation for one another with deliveries of carnations. Each activity requested a modest donation, which culminated in a generous donation to the United Way. The three months of activity culminated in creatively crafted silent auction baskets, including a Grinch-themed basket, gift cards, baking baskets, and more. Thank you to everyone who participated in helping IDVA reach its goal.

Our mission at the IDVA is very simple. To serve those who have served. In doing so, we serve not only the men and women who have worn the uniform, but also their families. It is our privilege to be able to help our veterans receive the benefits they have earned through service to our nation. Our goal is to empower our veterans and their families to thrive in all aspects of their lives.

We know there are many veterans within our great state who do not require any assistance – but we still want to encourage you to “Stand Up and Be Counted!” by registering with your local VSO. In doing so, you’re helping IDVA to do a better job of planning for services, seeking federal funding and understanding the needs of our veteran communities statewide. [Click here to register.](#)

We thank you for your service and for your sacrifice and we at the IDVA look forward to offering our services to you.
